GLENN'S SCHOOL OF DANCE

END OF THE YEAR INFORMATION

We look forward to sharing the excitement of "show week" with all of you, and thank you for allowing us to be a part of your "dance journey" this year. We wish you a wonderful summer and look forward to working with you in the future. As we close the year, here are some important bits of information. Refer to this packet or email the studio if you have any questions.

SHOW PROCEDURES: Dancers should be dropped off at the drama room no less than 15 minutes ahead of show time. They will then be directed to their specific dressing area by our volunteer staff. If your child is in the children's show, arrange to have them escorted by a female, taken to their "dressing room" mom, and then the escort makes their exit. Only the volunteers will be allowed to remain in the backstage areas – please understand that this is to ensure a calm, peaceful and safe experience for our young performers. We ask that you take your child to the bathroom before dropping them off with us, and make sure they have all of their show items with them. We will have an army of caring, capable mothers and faculty to take care of all of their needs and keep them occupied throughout the show. No foods or beverages, except bottled water with a cap, are allowed in the backstage area.

MEMORIAL DAY BREAK: The studio will be closed Saturday, May 26th– Monday, May 28th in observance of the Memorial Holiday Weekend. Classes will be held as scheduled from Tuesday, May 29th through Monday, June 4th. After that, we will be in the theater as Rehearsals and Shows begin on Tuesday, June 5th.

TUITION: Please pay by the 20th of April and May to avoid late fees. You are receiving a final statement for both months to close your account for the summer. All balances must be paid in full by June 6th, to be eligible to participate in the June Show. If you have a credit, it may be applied to ticket purchases by bringing that tuition statement to ticket sales.

TICKET SALES, Saturday, May 5th at the studio: Advanced VIP ticket sales for recital volunteers begin at 2:00pm; Tickets go on sale to the remainder of the public at 3:00pm and we will close at 4:00pm. After that, tickets will be available at the studio during our regular reception hours through June 4th, and at the theater during the dress rehearsals. The box office opens on show nights one hour ahead of showtime.

If you've not yet had the opportunity to sign up to volunteer, signup sheets are at the front desk – please read the job descriptions to determine the available position for which you would be best suited.

COSTUME WEEK: Saturday, May 5th through Thursday May 10th, we will pass out costumes to all students 4th grade and under, who are up-to-date with tuition & costume payments. Parents of those dancers should attend this week of lessons as all final details will be reviewed – dress rehearsal times & procedures, final recital information, & written information explaining hair & makeup expectations.

All students 5th grade & up, and Specialty group costumes will be passed out Monday, 4/30-Thursday, 5/3 to those dancers who are up-to-date with tuition & costume payments. Final instructions for those students will be given in those classes. Parents are welcome to come in, but the kids are relatively self-sufficient and/or seasoned at this point!

ADDITIONAL DRESS REHEARSAL INFORMATION: Please understand that we must conduct a closed dress rehearsal – open only to the students and their families – all siblings must be supervised. Pictures (PLEASE NO FLASHES while the dancers are dancing) & videotaping are allowed at Dress Rehearsal ONLY – we respectfully request that you leave all cameras at home for the shows, as filming & photographing during the performances are not allowed.

A professional photographer will be taking individual photos at the Dress Rehearsals for those interested, & the shows will be professionally taped, giving you the opportunity to purchase professional quality DVDs of the show - order forms for photos & DVDs will be available at the studio in June & at the Dress Rehearsals.

2018-2019 School Year Season

We would love to share our next school year with you! Please look over the following options for our 2018-19 season. In Mid-July, all necessary registration information will be published on our website. Reminder postcards will be sent to those dancers in our children's and recreational programs, to let you know we will then be open for Fall Enrollment – look on line for full information and procedures. Those dancers that are ready for our Specialty Groups will receive a more detailed registration packet by email in Mid-July as well.

PROGRAMS FOR FALL

We have 3 Options for enrollment as we have three distinct programs available to best serve you:

OPTION #1 – The Children's and Recreational Program: for dancers that wish to take their classes "a la carte". In Mid-July, when our Fall Registration is up and running, the schedule will be available for you to view and select age/experience appropriate classes based on the styles of dance in which you are interested. You may register directly on line, listing the classes you are selecting and our office will get back to you with a confirmation email.

OPTION #2 - The Apprentice/Competition Program: if you wish to take your dancing to a more intense level. These dancers are invited to perform in an additional show in the spring, and are invited to attend dance conventions & our guest artist series – the competition dancers also perform in an additional competition in the spring. **Dancers admitted into this program must be currently studying ballet, jazz, and lyrical - if you are hoping to be placed in this program for the first time, or if you would like to be placed in a subset company of mini, intermediate, or advanced for the first time, you must also study during our 2-week summer dance intensive.** If you are placed in this program, you train in one of four levels within this program based on age, and will study ballet, jazz, and lyrical with the other members of your level. When you receive your detailed registration packet by email in Mid-July, you will also be given times for the optional classes of tap, musical theater and hiphop. Simply reply to that email or complete our online registration to confirm your classes, and our office will get back to you with a confirmation email.

*As educators, we spend all year evaluating each child's strengths, to place our students in a level that will inspire and challenge them without overwhelming them – we place you at a level that will allow for your success. If this level is not the best fit for you at this time, you are welcome to request feedback from your instructors on the best path to take your dancing to make this a good fit for you in the future.

OPTION #3 - Performing Arts Dance Theater – our children's company-in-residence: Entrance into this program is through an audition held in early summer. Information regarding the company and its audition is currently available on the website. All PADT dancers will receive an email from our office in Mid-July when our registration is up and running – enrollment procedures will be included in this email.

SUMMER PROGRAMS

We offer a variety of programs for the summer. If you choose to continue dancing this summer, one of these programs will be a perfect fit for you.

OUR A LA CARTE SUMMER PROGRAM MONDAY/WEDNESDAY – 6/18, 6/20, 6/25, 6/27

This program is perfect for our recreational dancers (ages 3 and up - subdivided into several age groups) not yet ready to “close up shop” for the summer, or for any beginners. You simply sign up for individual dance disciplines, and we will enroll you in those classes based on your age level. All classes will meet on Mon/Wed for that 2-week period. Print and fill out the enrollment form that is currently available under the “Summer Programs” tab on our website - bring in person or mail to the studio with payment

OUR 2 WEEK SUMMER DANCE INTENSIVE JUNE 18TH – JUNE 28TH

This program is set up to give intense training to our advanced dancers entering 4th grade & up (faculty exception may be made for a ready 3rd grader). For more information, please check out the Summer Intensive Information & Enrollment packet currently available under our “Summer Programs” tab on the website. Print and fill out the enrollment form and bring in person or mail to the studio with payment. To best ensure a spot in your desired level & to take advantage of our reduced “early bird” registration rate, enroll by June 6th. Walk-ins will be taken based on availability.

***This program is required for the Dancers in PADT. It is required for those hoping to gain entrance into any of our specialty groups or their subsets for the first time. It is highly recommended for dancers currently enrolled in our specialty groups and their subsets.**
